FOR THE FISCAL YEAR 2019-20

RESOLVED that pursuant to Section 72 of the *Municipal Government Act*, the Municipal Council of the Municipality of the County of Annapolis estimates that sums amounting to \$11,075,039 are required for the lawful purpose of the Municipality for the year ending March 31, 2020, to be raised from residential assessment and the sums amounting to \$1,013,112 are required as aforesaid to be raised from commercial assessment, after crediting the probable revenue from all sources other than rates for the said year and making due allowances for abatement and losses which might occur in the collection of the taxes for the said year which may not be collected or collectible;

FURTHER RESOLVED that said Council hereby authorizes the levying and collection of the rate of \$1.015 on each one hundred dollars of the assessed value of residential and resource property assessed in the assessment roll and the rate of \$1.80 on each one hundred dollars of the assessed value of commercial property assessed in the assessment roll, which rates the Council deems sufficient to raise the sums required to defray expenditures of the said Municipality for the said year, and any deficit from any preceding year;
