1. Welcoming Remarks – Warden Timothy Habinski

Format: At the end of the public hearing the Public Hearing will be closed and Council will return to its regular session.

Purpose: The purpose of a Public Hearing is to permit members of the public to make their views known to Council, via oral or written submissions, concerning, solely, the application before Council. This Public Hearing is to inform the public of Council's intention to adopt an amendment to the Bridgetown Municipal Planning Strategy to amend the Annapolis County Subdivision By-law to include the Community of Bridgetown on a revised service area map - Schedule "I".

Procedure: All questions and comments throughout the public hearing are required to be addressed to the Chair. The Chair will afford an opportunity for public input and will ask that persons speaking identify themselves and their community each time they speak so that their comments may be recorded in the minutes of these proceedings and that the speaker identify if they are speaking in favour or against the application. Written presentations are acknowledged first, followed by public oral presentations. Questions and comments from Council members are asked to be held until all public comment is heard.
