Municipal Solicitor's Report

Re: Municipal Solicitor - A report dated 13 March 2018 was circulated in the agenda package. It was moved by Councillor McNeil, seconded by Councillor Heming, to receive for information. Motion carried unanimously.

Councillor's Comments

District 3 – Councillor Fowler commented he did not have anything new to report.

District 2 – Councillor MacDonald noted the MRHS Junior Boys Basketball team he coaches won Districts last month and went on to represent Western NS at a Regional tournament, beating Horton by 24 points to become Regional Champions of Nova Scotia for the first time in 40 years. He attended the opening show at the Evergreen Theatre where improvements made using grant monies received are about 90% complete – there are five working washrooms at the facility – each with its own door!. He has been meeting with residents of the District in relation to the municipal tax rebate.

District 11 – Councillor LeBlanc has also been meeting with her residents to assist with the municipal tax exemption forms and helping out with heating rebates. St Patrick's Day was very busy for those who are Irish and those who wish they were. Hoping folks are prepared for next Nor'easter coming tomorrow.

District 6 – Councillor Morrison attended a Celebration event at Cornwallis Park's Felker Hall to remember recently-deceased Helen Hirtle of Clementsport; organized by Elizabeth McMichael and Marilyn Wright, and featuring appropriate Cape Breton music by District 6 guitarist Charlie Langmead. Felker Hall will host a monthly breakfast on 14 April from 8 to 10 a.m., and on 20 April local volunteers will be recognized and honoured at an Appreciation Luncheon. TOPS will hold its Celebration of Division Winners in April at Felker Hall. The Clementsport Legion continues its series of Friday Night Suppers, last Sunday of the month brunch, and regular bridge and 45s sessions. This is the 70th anniversary of the establishment of the Clementsport Branch and themed events will be held throughout the year. As a member of the Annapolis County Volunteer Selection Committee, he will attend the provincial volunteer awards ceremony on 9 April.

District 8 – Councillor Gunn, on behalf of Council, attended the Doppler Radar meeting held in Yarmouth on February 27th. Doppler Radar picks up rain, snow, and in some cases sea-state; measures wind speed with respect to the speed of the snow or rain moving along its scope. This appears to be inaccurate and insufficient for the fishermen of Southwest Nova, and they tend to rely on the American Weather Service for sea state and weather conditions. A new weather satellite was launched in 2017 and Meteorological Services will soon be able to distribute this information to fishermen with hourly updates; however, fisher folk will have to be patient for a while longer. He has been asking his constituents to also exercise patience as the municipality continues to work with Mainland to develop a contract for high speed internet. He attended a supper at the Maitland Bridge Hall, and a pot luck supper at the Forresters Hall in Clementsvale. Unfortunately he missed the celebration of Mrs. Marie Wamboldt's 90th birthday, but wished her many, many more.

District 10 – Deputy Warden Roberts reported on the recent opening of the Lunn's Mill Brew Pub in Lawrencetown on Hwy 201 and congratulated the owners [Lunn's Mill Beer Company] on winning "gold" for their IPA first cut at the 2018 Down East Brewing Awards in Fredericton.

District 5 - Councillor Heming advised folks in District 5 are very interested in climate change / climate change adaptation and are hoping to make a presentation at Committee of the Whole next month. He encouraged all councillors to review the municipality's Municipal Climate Change Action Plan in advance of this presentation.

District 9 – Councillor Sheridan reported the Nictaux Super Seniors installed their sign yesterday and she was able to use the board to advertise the upcoming Town Hall meeting at the Nictaux Fire Hall tomorrow night. They are holding a bake sale at Home Hardware on the morning of March 29th to complete fundraising for the project. March 26th will be the beginning of their program, which will consist of chair yoga and games day. Donations are being accepted at the Nictaux Church in aid of 12-year-old Olivia Carsons from Nictaux who was recently diagnosed with a cancerous brain tumour.

District 4 – Councillor McNeil attended the Map Annapolis event held in Round Hill. He was very impressed by the good work done by the students, and noted he will be speaking with their instructor regarding the possibility of assisting the Forestry Advisory Committee in mapping forestry lands. He also attended the monthly breakfast at the Bear River Fire Hall.

District 1 – Councillor Wilkins saw the Nictaux Super Seniors' sign this morning and encouraged councillors to take a look at it when attending the Town Hall meeting later this week. It is a great example of what a community bulletin board should be, and will be a real asset to the community. She commended Councillor Sheridan and "another Wendy in the community", both are go-getters and are doing great work.

MOTION 180320.08 Letter of Congratulations to MRHS Junior Boys Basketball Team

Councillor Wilkins moved, seconded by Councillor LeBlanc that Municipal Council send a letter of congratulations to the Middleton Regional High School Junior Boys Basketball Team for winning the NS Regional Championship. Motion carried unanimously.

District 7 – Warden Habinski reminded all that this is the peak time of the year for telephone and internet fraud and encouraged everyone to be cautious about and with their personal information. On behalf of the Municipality of the County of Annapolis he congratulated Reverend George Allen on the occasion of his 105th birthday. He is a remarkable person and the community is blessed by his presence.
